about airbrush make-up

Beauty airbrushed makeup can last for sixteen hours plus so makes it the perfect choice for brides & their bridal parties. It offers maximum coverage with minimal product giving you a flawless HD finish which looks fabulous in life & photographs amazingly.

Silicone-based foundation when atomised & sprayed through an airbrush gun can be built up slowly to your desired coverage. It feels so light & luxurious on the skin, it leaves a beautiful complexion whilst allowing the skin to breath & move without the risk of creasing, caking or breaking down. It's also sweat resistant so you can dance the night away without worry.

**AIRBRUSH MAKE-UP IS SUPPLIED AT A SUPPLEMENT OF £10.00 PER PERSON (AUTOMATICALLY INCLUDED IN THE PACKAGE PRICES QUOTED - SIMPLY DEDUCT THE £10 IF TRADITIONAL MAKE-UP IS USED INSTEAD)*

spray tanning

Crazy Angel - 'A tan to fall in love with'. Using naturally derived tanning agents to achieve a flawless finish & long lasting results.

The light, floral fragrance is addictive. It's also alcohol, paraben & mineral oil free so you can have peace of mind with your gorgeous glow.

SPRAY TAN APPLICATIONS **FROM £15.00**

free pre-consultation

This is the first meeting that I like to arrange with you before booking your trial. It's like an informal meet & greet service which allows us to meet up in person & discuss your thoughts, ideas & requirements.

These usually last no longer than 45 minutes & can be arranged at a time/day to suit you.

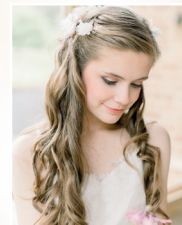

bridal trials

I always recommend a bridal trial. This enables me to create the perfect look well in advance of your big day. Each trial is unique & is tailor made to suit you & your requirements. Think of it as a dress rehearsal. Please allow a minimum of 2 hours for a trial session.

I suggest booking your trial session a minimum of 6-8 weeks prior to the wedding day.

I recommend bridesmaid & mother of the bride/groom trials are held on separate dates to the Brides trial session.
